The Truth About The Holohoax Cash Industry

Israelis sue Germany over alleged psychological damage due to Holocaust more than 60 years ago!!!

Another way to get free bucks for the jewish israelis.

The Truth About The Holohoax Cash Industry

Introduction

Welcomed to **The OzBoy File, The Truth About the Holohoax Cash Industry**

This book is sure to cause a stir, with the Zionist Jews coming out and attacking this book and the writers of being Nazi's, Anti – Semitic's, hated for Jews.

This is an old trick by the Zionist Jews, if you dare to criticize Israel or Jews they call you these names, sticks and stones will break my bones but names will never hurt me.

In this magazine sit back and read about a recent investigation team trip to Trebalinka Camp where the Official story states 870,000 were suppose to have been killed by the Germans.

But the team could find No Evidence left behind to prove the story, how can you have a Holocaust without proof and evidence?

Common sense says you cant, but with the Holocaust of WW11 of the Jews by the Nazi's is the only crime in the whole human race existence where by no proof or evidence is needed.

We are just suppose to believe wild stories put in front of us and then if you question these wild stories in any way, certain countries around the world where the Jews have influence they introduced Laws where you can be thrown in jail for just questioning the Holocaust.

The truth needs No Laws imposed upon the population, only lies, deception, needs Laws imposed to prove the lie.

Why should young German people today pay money to the Jews for a crime that happen 60 years ago before they were born?

How are young German people today responsible and accountable for what happen then, they aren't and it's about time the German Government say to Israel No More Money.

I hope this book inspires German people and Politicans to rise up and speak out once and for all and stop this HoloHoax Cash Industry in its tracks.

The Holocaust is such a joke now there is more Holocaust survivors alive today, then what was rescued from the camps, we all are just being played for suckers now by some Jews who want to profit from this crime.

Chapter 1

Exposing Historical Fraud via The Scientific Method

Ground Penetrating Radar Examination Exposes
"Extermination Center" Fraud

NO TRACE OF MASS GRAVES FOUND AT TREBLINKA

A detailed forensic examination of the site of the wartime Treblinka camp, using sophisticated electronic ground radar, has found no evidence of mass graves there.

For six days in October 1999, an Australian forensics team headed by Richard Krege, a qualified electronics engineer, carried out an examination of the soil at the site of the former Treblinka II camp in Poland where, holocaust historians claim, 870,000 Jews were put to death in gas chambers and then buried in huge mass graves.

Krege said: "From these scans we could clearly identify the largely undisturbed horizontal stratigraphic layering, better known as horizons, of the soil under the camp site.

We know from scans of gravesites and other sites with known soil disturbances, such as quarries, when this natural layering is massively disrupted or missing altogether.

Because normal geological processes are very slow acting, disruption of the soil structure would have been detectable even after 60 years.

Historians say that the bodies were exhumed and cremated toward the end of the Treblinka camp's use in 1943, but we found no indication that any mass graves ever existed.

According to the Encyclopedia of the Holocaust (1997), "a total of 870,000 people" were allegedly killed and buried at Treblinka between July 1942 and April 1943.

Then, between April and July 1943, the hundreds of thousands of corpses were allegedly dug up and burned on large grids made of railroad rails.

Krege's team used an \$80,000.00 GROUND PENETRATION RADAR (GPR) device, which sends out vertical radar signals that are visible on a computer monitor.

GPR detects any large-scale disturbances in the soil structure to a normal effective depth of four or five meters, and sometimes up to ten meters.

(GPR is routinely used around the world by geologists, archeologists and police.)

In its Treblinka investigation, the team carefully examined the entire Treblinka II site, especially the alleged "mass graves" portion, but found no evidence of individual graves, bone remains, human ashes or wood ashes.

I don't see an elephant in my basement.

If there were an elephant in my basement, I would certainly see it.

Therefore, there is no elephant in my basement.

Chapter 2

THE TREBLINKA HOLOHOAX

According to the orthodox version of the holocaust, at Treblinka the Germans murdered and buried, then dug up, burned and crushed the bones, and then - REBURIED all the crushed bone and ash of 870,000 Jews INTO THE SAME MASS GRAVES thus, they allegedly - "obliterated all evidence of their crime."

If you're unfamiliar with the controversies surrounding this "judicially proven fact," then it's imperative that before you begin reading you understand the forensic argumentation presented

"This is the biggest cemetery of Polish Jewry... There are 870,000 Jews buried in the enormous ditches..."

Within this area initially, the Jews were buried in enormous pits...

Later on, a sort of grill from railroad tracks was built.

The corpses were removed and this area served for burning the corpses...

Belzec, Sobibor and Treblinka - all three of them were utterly eradicated...

Both Treblinka and the other camps, once they had fulfilled their task of extermination, were obliterated...

Nothing remains - nothing.

Nothing remains?

Who in their right mind could believe that a perfect crime could be committed while murdering 870,000 people?

Everyone knows that at every crime scene - **EVIDENCE IS LEFT BEHIND: "Cremated remains weigh between three and nine pounds."**

In order to believe the orthodox Treblinka holocaust legend, you must believe this The Germans, by putting a layer of soil over millions of pounds of crushed bone and ash, tens of millions of teeth and tens of thousands of bullets and shell casings somehow, magically - "utterly eradicated" all evidence of their crime!

Utterly eradicated?

How about utter nonsense?

Why would the Germans go through all that work, knowing full well there would still be millions of pounds of evidence left behind, then put all that incriminating evidence right back into the very graves that they allegedly had just dug all that evidence out of?

It's understandable when a toddler believes that he's made himself invisible while playing peek-a-boo by covering his eyes, but how do you explain the insanity of the holocaust "scholars" who believe that a layer of soil can make millions of pounds of evidence magically disappear?

So why do the true believers of holocaust orthodoxy accept the magically disappearing Jew "theory" when it's been scientifically / forensically proven that it's a fraudulent cognitive illusion?

Are they truly insane, or is it because they're just cowards who can't handle the shrieks of denier, racist and anti-Semite hurled at anyone who dares to question this nonsensical dogma?

Remember, in the "free democracies" of Australia, Austria, Belgium, Canada, Czech Republic, France, Germany, Israel, Italy, Lithuania, New Zealand, Poland, Romania, Slovakia and Switzerland, you can literally be sent to prison for refusing to believe the official lies of the alleged Treblinka holocaust.

Of course, the feckless cowards who don't want to know the truth and lack the character to speak the truth can go about unmolested by the high priests of holocaust orthodoxy in their "free democracies."

But woe to the heretic who dares to ask "So just where exactly are all these huge mass graves anyway?"

To put this **UTTERLY ILLOGICAL FRAUD** in perspective, it's like someone claiming that he could murder every single man, woman and child in Montana and magically not leave a single trace of his crime!

Do you see how incredibly easy a little common sense, logic and skeptical inquiry cuts right to the bone and exposes the ludicrous fraud of this classic example of the big lie technique?

Nothing in the world could be easier to prove than the alleged Treblinka holocaust IF this legend is true.

If all the time, money and effort that's gone into the harassing, arresting, fining and imprisoning of the holocaust heretics went into locating the alleged huge mass graves of Treblinka, then this issue would have been settled years ago.

Why do you think the Jews would rather have people sent to prison for not believing their nonsensical manufactured history than actually locating the alleged huge mass graves?

Why do you think they incessantly lie about the Treblinka holocaust being a proven historical fact, shriek holocaust denier at and **REFUSE TO DEBATE** anyone with the intelligence and courage to call them on this ridiculous tall tale?

Why do you think they never use the phraseology - scientifically or forensically proven fact?

The answer is, of course, because there was no Treblinka holocaust and the alleged homicidal gas chambers were, in reality, **DELOUSING FACILITIES**.

(This is a classic example of what happens when pseudo-intellectuals become so invested in an idea; after a while, even honest mistakes have to be sustained by ignoring and eventually falsifying the facts.)

Every alleged German "death camp" is best understood when looked at as a holocaust within the holocaust.

No matter what anyone thinks about the holocaust per se, one thing is eminently clear - the Treblinka holocaust didn't happen.

To believe that the Germans could "obliterate" all evidence of the murder of 870,000 Jews requires incredible gullibility and a lack of intelligence, logic and critical thinking skills.

It requires a belief in magic and a rejection of criminology, archeology and forensic science.

IF there was a Treblinka holocaust, then there are huge mass graves filled with millions of pounds of crushed bone to prove it.

Until the alleged huge mass graves of Treblinka are found –

NO mass graves = NO crushed bone =

NO burning of bodies = NO homicidal gas chambers =

NO mass murder = NO extermination camp =

NO Treblinka holocaust = THE TRUTH

TREBLINKA II WAS A TRANSIT CAMP, and the so called gas chambers were, in reality, delousing facilities designed to protect the health and prolong the lives of the shameless liars who fraudulently claimed to be the victims of a genocidal extermination program.

It takes a special kind of credulous dullard to believe the preposterous Treblinka holohoax tale and a special kind of self-deceiving coward to deny the significance of this fraud.

Remember, there are only two options: extermination center (for those who believe in magic) and **TRANSIT CAMP** (for those who believe in the scientific method).

There is no third option - and only one truth.

NOTE: In 1990, Shmuel Krakowski, the archives director of Israel's Yad Vashem Holocaust Center, finally admitted that the Jewish soap story was a lie.

This ludicrous atrocity propaganda had been “proven” at the Nuremberg show trial and staunchly defended as irrefutable historical fact for more than 45 years.

In jettisoning this absurdity, the holocaust scholars were no more denying history than someone who refuses to believe the absurd Treblinka holocaust legend.

They were, in reality, affirming history.

But they did it reluctantly.

They only admitted the lie because it had become untenable.

KRAKOWSKI ADMITTED: “Historians have concluded that soap was not made from human fat.

When so many people deny the holocaust ever happened, why give them something to use against the truth?”

The truth indeed.

Historical “truths” are not exempt from the scientific method!

It’s time to locate the alleged huge mass graves of Treblinka, or it’s time to admit that THE TREBLINKA HOLOCAUST STORY IS A LIE

“An article re-evaluating Steiner's book Treblinka recently appeared in the French journal Revue d'histoire de la Shoah.

There it was made abundantly plain Treblinka was nothing less than a deliberate attempt to hoodwink the reader into believing the book was a real work of history...

Other readers, including many formerly sympathetic and supportive scholars and journalists now complain bitterly of having been intentionally deceived by Steiner and his novel-as-true-history on the Treblinka concentration camp...

What he and others insisted in the book's Introduction, Preface, and Afterword was a scholarly chronicle of certain tragic events had, in fact, been a melodramatic novel...

When he wrote the most important part of his book... Steiner had finally to confess that he relied almost solely on his own imagination."

Despite the fact that it's been over twenty years since Jean-François Steiner admitted that his fraudulent book Treblinka was purely the product of his imagination, this novel-as-true-history, this falsification / forgery, is still readily available for loan in libraries all across America.

And it's still cataloged under non-fiction!

How?

Because it is now referred to as a "novelized" historical account!

(Welcome to the Alice in Wonderland world of holocaust "scholarship," where holocaust "history" is what the Jews say it is, nothing more - nothing less.)

And despite the fact that it's been well over five years since Krege scientifically / forensically debunked this malicious lie, it's still being taught as an irrefutable historical fact to students from kindergarten to graduate school.

And despite the fact that there isn't an iota of scientific evidence to back up their claim, the holocaust industry wants you to believe that, despite all these inconvenient facts and uncomfortable truths, the impossible story of the alleged Treblinka holocaust really is true.

(Pay no attention to the man behind the curtain!)

Is this a miraculous coincidence?

Or is it simply a new lie that they're using to cover up their old lies?

Even though the scientific method can be (and has been) used to prove or disprove this "historical fact," here's an example of how easy just a little skeptical inquiry and honest historiography can be used to expose the Treblinka holohoax for the fraud that it is; Holocaust "expert" Yitzak Arad:

"All we do have is survivors' evidence and testimony... this is the main source for our information about the camp...

No trace of the extermination operation remain."

(Arad's "expert testimony" at the trial of John Demjanjuk.)

Yet Treblinka "survivor / eyewitness" Szyja Warszawski claims:

"The ashes that remained after the burning were thrown back into the pits where the bodies had been dug out earlier...

For some pits only the top layer of bodies was dug out.

The rest of the bodies were covered over with soil..."

(Warszawski's "eyewitness testimony" to the Main Commission for the Investigation of the Hitlerite Crimes in Poland.)

So who do you believe – the so-called "experts" or the alleged "eyewitnesses?"

These contradictory claims can't both be true.

(But they can both be false!)

The official Treblinka story is based entirely on fraudulent "eyewitness accounts," yet numerous "eyewitness accounts" totally contradict the official story.

Yet it is literally a thought crime in 15 countries of the world for not simultaneously believing both of these contradictory claims!

But it gets worse.

There are many more new lies being told to cover up the old.

The holocaust industry's asinine response to Krege's scientific / forensic debunking of the alleged Treblinka holocaust is to claim that the reason he found no evidence of the alleged huge mass graves was because the Germans "obliterated" all evidence of their crime.

Yet at the same time, MICHAEL SHERMER claims that he's used the methods of science to prove the orthodox version of the alleged Treblinka holocaust!

What's wrong with this picture?

(Other than the fact that he refuses to publish his results.)

To illustrate the sophistic machinations that the holocaust industry (which of course includes Shermer and his "Skeptics" Society) has gone through to make this fraudulent claim look at this montage of quotes from Shermer's spurious novel-as-true-history – Denying History

"The purpose of this book is to... show precisely, with solid evidence, how we know the Holocaust happened... we must obey the rules of reason and apply the tools of science...

Historians both discover and describe the past, just as natural scientists... we can use the methods of science to... marshal the evidence and apply tight logic...

This process is practiced by all scientists... historical scientists, geologists, paleontologists and archaeologists, to prove that anything in the past happened...

We must review the physical evidence in conjunction with written documents and eyewitness testimonies...

As historical scientists, however, we realize that... when the participating scholars play by the rules of science, logic, and reason... hypotheses can be weighed against the evidence...

We know that the Holocaust happened through the tried and true method employed by all historical scientists... our book clearly presented the convergence of evidence for how we know the Holocaust happened."

Well now, that changes everything doesn't it?

If Shermer, who insists that he must see compelling evidence before he believes anything, has proven the holocaust via the scientific method, then there must be tons of tangible physical evidence that proves the alleged Treblinka holocaust, right?

But why then didn't any of this "physical evidence" show up on Krege's GPR scan?

And if the Jews dispute Krege's results, then why haven't they conducted their own forensic / GPR examination of Treblinka?

They could easily and conclusively prove the alleged Treblinka holocaust in a heartbeat by using real science and modern technology.

(IF the story is true.)

Why do you think they had to resort to the false "science of history" to counter the real sciences of forensic criminology and archeology?

Of course, those were all rhetorical questions.

Denying History is nothing but pure Orwellian rectification of history - damage control to counter the harm that the holocaust truth movement is doing to their sinking ship of lies.

THE HOLOCAUST INDUSTRY has sophistically attempted to elevate the study of history into a "science," then use this newly manufactured science to prove their false history, thus; claiming to repudiate real science without offering an iota of scientific / physical evidence for the alleged Treblinka holocaust.

Not a single mass grave - Not a single pound of crushed bone - Not so much as a single tooth!

The truth is, they're trying to blind you with sophistically manufactured science just in case you have the common sense to see through their maliciously manufactured history.

Chapter 4

“OBLITERATED ALL EVIDENCE OF THEIR CRIME?”

Do you really believe that two million people could be murdered without leaving a trace?

The alleged pure extermination center	The weight of the crushed bone that would have been left behind IF this story is true	The number of teeth that would be mixed in with the alleged millions of pounds of crushed bone
Treblinka	6.351 million pounds *	27.840 million
<u>Sobibor</u>	1.825 million pounds *	8.000 million
<u>Belzec</u>	4.380 million pounds *	19.200 million
<u>Chelmno</u>	2.336 million pounds *	10.240 million
* Calculations are derived from figures used by Arnulf Neumaier in The Treblinka Holocaust (see below)		

To illustrate just how easy it is to debunk the big lie that burning bodies makes them magically disappear, look at the following (chapter 4.3) from Arnulf Neumaier's THE TREBLINKA HOLOCAUST

Regarding the claim that the 870,000 corpses were eliminated completely without any trace, we must consider the quantities of ashes that remain...

The wood ashes remaining would then have weighed approximately 1,000 metric tons...

The ash content of a human body makes up about 5.6% of the body's weight; given a 132 lb. body, this comes to 7.3 lbs.

The ashes from the 870,000 burned bodies would thus have weighed 6,387,500 lbs.

The total quantity of ashes - wood ashes plus human ashes - would therefore have weighed almost 4,000 metric tons, or 8.6 million pounds, all of which (according to the witnesses) were then mixed with the soil and thrown back into the pits.

Even if this quantity of ash had been mixed with the roughly 3.53 million cubic feet of soil excavated from the burial pits, it would be easy to find evidence for human remains of the quantity alleged by the witnesses.

It must also be noted that in the incineration of corpses under the conditions specified by the witnesses, the bones would not have turned to ash, but would have remained as bones."

NOTE: You do understand that even modern cremation techniques don't reduce bodies to ashes, but rather to **BONES**, right?

Disingenuously referring to the alleged cremated remains as "ashes" rather than correctly referring to them as bones is a crucial component of this big lie / cognitive illusion.

So what's the Jews' response when it's conclusively demonstrated that burning bodies on pyres doesn't make them magically disappear?

"Why, the Germans obliterated all the evidence by crushing the bones," they shriek.

To illustrate how absurd this is, and how easy it is to debunk the crushing-the-bones-equals-obliteration thesis, take a look at these photos of the **REAL HOLOCAUST** that the allies inflicted on Dresden Germany.

And what's the Jews' response when it's conclusively demonstrated that crushing bones doesn't make them magically disappear either?

"Why, those evil geniuses reburied the remains in the huge mass graves and then covered it all up with a layer of soil," they screech.

Do you understand the insanity of this?

If burning bodies and crushing the bones doesn't "obliterate" evidence, then how can the simple act of covering the remains with dirt do the trick?

To illustrate how easy it is to debunk the burying-the-evidence-equals-obliteration thesis, and to examine the relevance that teeth have on this issue, scroll down to the last question

"Cremation destroys DNA...

However, teeth stay pretty intact...

During these examinations we can't find DNA, but we can find **TEETH** "As might be expected from a damp cave, bodies buried 3,200 years ago had long since returned to dust, But precise excavation recovered evidence of each individual - their teeth."

So if Shermer and all the other officially sanctioned holocaust "scholars" can't offer an iota of tangible physical evidence to back up their fraudulent claim that the alleged Treblinka holocaust has been scientifically proven - not even a single tooth out of an alleged 27 million! - then what's left for the true believers to cling to in justifying their continued belief in the orthodox version of the Treblinka story?

Why the perfect crime / magically disappearing Jew "theory" of course!

It simply boggles the mind that it's necessary to explain to college educated school teachers (just as you would to a three-year-old child), that by covering something up with dirt you're not actually making it magically disappear.

(And we haven't even touched on the most asinine claim of all - that the Germans were able to burn these millions of bodies by the ingenious "discovery" that by stacking the bodies "just right," they'll "catch" fire and magically burn all by themselves - just like fire logs!)

Just as astonishing is the fact that even after seeing conclusive proof that the official Treblinka legend is nothing but one PHYSICAL IMPOSSIBILITY after another and that the latest Jewish holocaust is the most grossly exaggerated event of the 20th century, the true believers are totally unaffected by the truth.

Why?

Because they would then have to admit that the fraudulent Treblinka holocaust is a literal **JEWISH CONSPIRACY**, and that would make them (gasp!) an anti-Semite!

So what exactly is the significance of the fact that this fraudulent holocaust within the holocaust is a malicious lie?

First, the pure extermination center myth cannot stand if the Treblinka cornerstone is pulled.

And if the Treblinka holohoax is debunked (which of course it has been), then the equally synthetic pillars of Belzec, Chelmno and Sobibor become untenable and the fraudulent pure extermination center legend collapses.

And without the pure extermination center canard, the official version of the final solution becomes untenable, ergo - NO EXTERMINATION PROGRAM!

It's like pulling on a loose thread of a cheap sweater.

Secondly, it irrefutably proves that not only is the Treblinka holohoax a literal Jewish conspiracy, but also that the orthodox holocaust story is a malicious lie.

Even if the Treblinka holohoax is the only remaining segment of the entire holocaust story that is false (which obviously it isn't), that still makes the holocaust industry's version of the story a lie.

(A story that is only 1% maliciously false is still a lie.)

Third, it exposes the Jews' unconscionable tactic of accusing those who question any aspect of the orthodox holocaust story, no matter how much scientific evidence they have to back up their reasons to be skeptical, as being a "DENIER."

"Eyewitness" Yankel Wiernik's deluding model of the phantom "huge mass graves" of Treblinka that allegedly contain - millions of pounds of crushed bone, tens of millions of teeth and tens of thousands of bullets and shell casings.

Now who in their right mind could believe the official story that the Treblinka site was "utterly eradicated" by a layer of soil and couldn't be detected today with the use of modern archeological / forensic science techniques?

Compounding the obvious absurdity that the pseudo "science" of history gives eyewitness testimony more credence than tangible physical evidence (or the lack thereof) is the fact that every single "eyewitness" that helped to "historically" prove the preposterous Treblinka legend was a shameless PATHOLOGICAL LIAR.

Don't believe it?

Then winning THE TREBLINKA CSI CHALLENGE TM should be like taking candy from a baby.

(Unless you're sticking with the perfect crime / magically disappearing Jew "theory.")

If however, you acknowledge the fact that Treblinka is a literal Jewish conspiracy (And what honest, intelligent person wouldn't?), wait until you examine the absurd lies of the other three alleged pure extermination centers and Babi Yar.

They're essentially mirror images of the Treblinka fairy tale replete with the asinine millions of pounds of magically disappearing evidence yarn.

And if the camp with the most alleged "eyewitnesses / survivors" has been scientifically debunked, then what are the chances that the absurd legends of the other camps are true?

Since Michael Shermer (the president of the "Skeptics" Society and publisher of "SKEPTIC" magazine) has such disdain for real skeptics (i.e. - intelligent / logical people who refuse to share his delusion that millions of Jews can magically vanish from the face of the earth without leaving a trace), "SKEPTIC" magazine should be more than willing to publish the results of any scientific investigation that claims to have proven that the largest of the asinine pure extermination center legends has been forensically proven to be a fact.

Therefore, all one has to do to become a claimant for THE TREBLINKA CRIME SCENE INVESTIGATION CHALLENGE TM reward is to have said claims / results published in "SKEPTIC" Magazine.

Now, just how hard should it be for the "we-must-see-compelling-evidence-before-we-believe" sham "Skeptics" Society to prove just 1% of the alleged mass murder at Treblinka IF the official story is true?

To all those who want to put an end to holocaust denial and who still believe that the deniers are crazy when they talk about Jewish conspiracies (But your belief in magically disappearing Jews is sane, right?), then why haven't you accepted THE TREBLINKA CSI CHALLENGE TM?

And why don't you ASK MICHAEL SHERMER why, if he so desperately yearns to earn the title of Righteous Gentile, does he refuse to take advantage of the golden opportunity that NAFCASH TM is giving him to help stop holocaust denial?

And while you're challenging Shermer, why don't you remind him of what he wrote in his deluding novel DENYING HISTORY: "We also traveled to the camps themselves, to... Treblinka, Sobibor, Belzec... to test the claims that no mass murders... took place by intention at these camps." Really?

Did he conduct scientific tests using the real sciences of forensic criminology and archaeology?

If not, why?

And if so, then why does he refuse to publish the results?

And why don't you ask him how he rationalizes his cowardly refusal to debate true skeptics who expose his gross hypocrisy and illusory "testing of the claims" with this other quote from Denying History

"Others have argued that to meet with the deniers or answer their claims is to validate them, but we believe that to let their arguments go unanswered presents the greater danger."

So why does Michael Shermer refuse to answer NAFCASH's TM questions and/or accept its challenges?

If "the world's foremost skeptic" (who insists his sophomoric **CONVERGENCE OF EVIDENCE** theory historically proves the holocaust), can't scientifically locate even one of the alleged huge mass graves of Treblinka and can't forensically prove even 1% of this absurd myth, then what does that say about the veracity of this so-called historically proven fact?

Shermer's sophistry is akin to a scientist claiming that he has proven the great flood / Noah's Ark fable by using nothing but bible verses!

What we're challenging anyone to prove is undeniably a scientifically knowable truth and a forensically provable fact.

Anyone who believes otherwise is delusional.

That is of course, IF the legend is true.

Don't believe it?

The following is from holocaust "scholar" Yitzhak Arad's deluding novel (which was written to rectify the damage that was done to the Treblinka holohoax by Steiner's embarrassing confession of fraud / forgery) BELZEC, SOBIBOR, TREBLINKA, chapter 23 - The Erasure of the Crimes

"The camp command was confronted with the problem of disposing of the large piles of ash and bits of bone that remained...

Ultimately it was decided to dump the ash and bits of bone into the ditches that had previously held the bodies and to cover them with a thick layer of sand and dirt...

["Eyewitness"] Abraham Goldfarb relates: ...'we secretly placed in the walls of the graves whole skeletons and we wrote on scraps of paper what the Germans were doing at Treblinka.

We put the scraps of paper into bottles, which we placed next to the skeletons.

Our intention was that if one day someone looked for traces of the Nazis' crimes, they could indeed be found."

NOTE: Historical "Truths" are not exempt from **THE SCIENTIFIC METHOD.**

Exposing the lies of the holocaust, the fraud of the final solution and the criminal Jewish conspiracy of the nonsensical pure extermination centers is not "denying" the holocaust.

Using the scientific method to prove that the largest mass gravesite in the history of mankind is, in reality, a fraudulent hoax is not “denying” the holocaust.

Refusing to accept a logically absurd, demonstratively false, scientifically debunked historical event is not “denying” that something happened.

Just because the dull-uding “experts” lack the curiosity to examine, the intelligence to understand, the courage to accept, the integrity to acknowledge and the character to speak the truth about this fraudulent **COGNITIVE ILLUSION** does not make a skeptic of the official holocaust story a “denier.”

(By the way, you cannot “deny” something that doesn’t exist or never happened.)

Michael Shermer accuses real skeptics of denying history because, in part, they refuse to share his delusional belief that the Germans were able to murder millions of Jews without leaving a trace.

In his sophomoric and sophistic attempt to “prove” this accusation, he has denied forensic science, criminology and archeology.

In accusing others of practicing pseudo history, he not only has engaged in it himself, but also had to forgo the scientific method and the very fundamental principles of skepticism which he claims guides his belief system.

In his own words, again from Denying History: “The best way to beat a lie detector is to believe the lie yourself...

Deception becomes self-deception.” Really?

Well then, let’s use the alleged Treblinka holocaust as a case study in denial and self-deception.

Here’s another montage of Michael Shermer quotes from Denying History: “The culmination of years of research... our purpose... to present the historical facts that refute Holocaust denial...

To debunk the deniers can't we just go there and see them for ourselves?

The answer, of course, is "yes."...

We can no longer ignore the deniers, calling them names and hoping they will go away...

We cannot remain silent anymore. It's time to respond...

Not only is it defensible to respond to the deniers, it is, we believe, our duty...

Many of our arguments draw on specialized research into the claims of the deniers that took us... to the Nazi extermination camps themselves... we went to Europe to conduct research at the camps, in particular at...

Treblinka, Sobibor, Belzec...

We wanted to see for ourselves just what evidence there is at the camps and to take the opportunity to examine firsthand the claims...

Much of the research is the type of work professional historians normally do... analyzing ground and aerial photographs... in order to make proper interpretations, we must review the physical evidence...

Like criminologists solving a crime, we piece together the myriad bits of evidence until a conclusion emerges from the morass of data...

How is it that so much physical evidence can come to be doubted?"

"Reviewing the physical evidence?" - "Analyzing ground and aerial photographs?" - "Like criminologists solving a crime?"

Well now Michael, real skeptics and scholars have been waiting for years for you to publish the results of your alleged firsthand examination of the physical evidence and analysis of aerial photographs of Treblinka.

If you're so incredulous that people can come to doubt so much physical evidence and photographic proof, then why do you refuse to publish the results of your alleged research?

If there's so much physical evidence – then let's see it!

What's wrong Shermer?

Your silence is deafening.

What happened to your duty to respond?

(After all, you do want to put an end to holocaust denial – don't you?)

Who's self-deceiving?

Who's denying the **REAL HISTORY** of Treblinka?

Who's denying common sense, iron logic, critical thinking, forensic science and the fundamental principles of skeptical inquiry and the scientific method?

Who's denying reality?

Treblinka right before the Jews' obscuration (and consecration) of the site with their delusive shrine.

Can you locate the alleged "huge mass graves" that Michael Shermer claims he's proven exist?

Maybe these "eyewitness / survivor" **MAPS OF TREBLINKA** will help.

So why are the billion dollar per-year holocaust industry and its fawning front men at the "Skeptics" Society afraid to honestly apply the scientific method to the fairy tale known as the Treblinka holocaust?

It really is this incredibly simple: The alleged Treblinka holocaust literally stands or falls on the existence of the alleged huge mass graves, and the nonsensical lies of Belzec, Chelmno and Sobibor become untenable (as if they're not already!)

If the truth about Treblinka is exposed.

Are you beginning to understand why the Jews have gotten holocaust denial (Jewish code name for THE TRUTH) to be a criminal offense in 15 countries of the world?

And the "Skeptics" Society is aiding and abetting them in this immoral inquisition!

And to add insult to injury, they're prostituting themselves to the holocaust industry under the guise of skeptical inquiry and the scientific method!

That explains why the alleged Treblinka holocaust had to be "proven" with the "science of history" instead of real science and tangible physical evidence.

(The only other explanation for this craven refusal to apply the scientific method to scientifically knowable truths and forensically provable facts is that the logically retarded pseudo-skeptics at the Schleptics Society actually believe in magically disappearing Jews!)

Of course, if all these charges are unfounded, then it begs the question: Why does Michael SHAMMER refuse to publish the findings of his alleged investigation which he claims he conducted at Treblinka?

(Odd behavior for a “scientist” who claims he wants to put an end to holocaust denial – isn’t it?)

NOTE: Are you aware that the Jews and their minions have gotten laws passed in nine states – California, Florida, Illinois, Indiana, Mississippi, Missouri, New Jersey, New York and Washington, that mandate that this **NONSENSICAL**, religiously based atrocity propaganda be taught to our children as “irrefutable historical fact?”

(Laws that sanctify an “official version” of any historical event are the first step in criminalizing contradictory interpretations.)

Every time a teacher vomits up the lies of holocaustianity onto his students, he’s brainwashing them with maliciously manufactured false history based on Jewish mythology.

Any educator who doesn’t understand why the Zionists can’t accept a lower figure than the sacred six million and/or who still believes that the total number of Jewish deaths “doesn’t matter,” shouldn’t even be allowed in a classroom.

(If it doesn’t matter, then why is it illegal in 15 countries of the world for heretics to reveal that the actual figure is far less than the sacred six million?

It’s analogous to being imprisoned for “denying” the “fact” that the earth is six thousand years old!

And if the truth doesn’t matter, then why not pass laws that mandate that our children be taught that Iraq really did have WMDs?)

Remember, you don’t have to say that the holocaust didn’t happen to be branded a **HOLOCAUST DENIER** all you have to do is suggest that the six million figure is an exaggeration.

RECAP: Burning bodies destroys all evidence? **DEBUNKED.**

Crushing bones destroys all evidence?

DEBUNKED.

Putting millions of pounds of crushed bone into huge pits and covering it over with a layer of soil destroys all evidence?

DEBUNKED. Michael Shermer's deluding boast that he's proven the orthodox version of the holocaust / final solution / pure extermination centers?

Easily, logically, scientifically, forensically and irrefutably **DEBUNKED:** "That's the only way to understand this subject. It has to be studied carefully..."

If you slow down and look carefully at the logic, his 'jumping together' illusion doesn't work... Shermer has set up his argument in such a way that the ordinary methods of logic don't apply...

This is like a shell game: you have to watch what he's doing...

The Shermer principle is not logic...

The jumping together phenomenon is how illusionists produce their illusions."

According to the orthodox holocaust story, the Germans set up six "extermination camps" in Poland where Jews were allegedly murdered in homicidal gas chambers.

Now that you've witnessed firsthand how the four "pure extermination centers" have been exposed as historical frauds via the scientific method, look at what skeptical inquiry and common sense has done to the other two alleged "extermination camps."

(To fully understand something, you must study its beginning and development.)

Chapter 5

THE INCREDIBLE SHRINKING HOLOCAUST

Year	Source	AUSCHWITZ Death Toll	MAJDANEK Death Toll	Source Verification
1945	"Proven" at the Nuremberg show trial	4,000,000	1,500,000	HERE
1975	Jewish "historian" Lucy Dawidowicz	2,000,000	1,380,000	The War Against The Jews
1995	Official Polish government sources	1,500,000	360,000	HERE
2005	Camp museum officials	1,100,000 *	78,000 *	HERE
THE TRUTH	Documents found in Russian archives	73,137	42,200	HERE
Percent of this holocaust within the holocaust - THAT DIDN'T HAPPEN		98.172 %	97.185 %	SKEPTICAL INQUIRY & COMMON SENSE
* These are MAXIMUM figures that virtually all Jewish and Shabbas Goy "Historians" now accept as fact				

The "Judicially proven" 5.5 million deaths at Auschwitz and Majdanek was the Bait & Switch foundation that the Jews needed to play their fraudulent "Historically Proven" Shell Game.

Even the Jews have been forced to admit that the alleged Auschwitz holocaust was exaggerated by no less than 364 % the alleged Majdanek holocaust was exaggerated by no less than 1,923 % and just the 4.322 million reduction of the Auschwitz / Majdanek death tolls alone represents 72 % of the original holocaust story - that didn't happen.

(Remember, this is using maximum figures that the Jews themselves accept!)

Now, add that 72 % that didn't happen to the 36 % figure from the "pure extermination centers" that didn't happen, and you get, at the very least, 108 % of the original holocaust story - that didn't happen!

How can this be you ask?

Welcome to the Alice in Wonderland world of holocaust math! (And these figures don't even include the original 3.5 million death toll claimed for Treblinka!)

Can you believe that the Jews have gotten laws passed in 15 countries of the world that literally makes it a crime to say that the holocaust legend is exaggerated?

Are you beginning to understand why the Jews are so terrified that the truth will out about this fraudulent hoax that they've gone so far as faking investigations to buttress their "judicially proven" history?

(Which is falling apart at the seams.)

Are you beginning to understand the reason for the **INQUISITION?**

NOTE: The reason the numbers are so outrageously incongruent is part and parcel of the big lie technique.

They've never added up, and were never designed to - they've been contrived to create and compound complication and confusion.

The numbers bandied about by holocaust "scholars" are all over the place, and have been constantly changing for over 65 years.

(Which begs the question; how can a "Proven Fact" constantly evolve?)

Nobody is supposed to notice that the death toll figures have been dropping like a stone, but when they do, they're attacked as anti-Semitic deniers, arrested, fined and put in prison.

This is how the "free democracies" have prevented real skeptical inquiry and honest historiography into this fraudulent shell game.

(This is especially true for the Germans, who are still paying reparations to Israel based on the figures "proven" at Nuremberg.)

Just like holocaust "history," holocaust "math" is simply what the Jews say it is, nothing more - nothing less.

The latest Jewish holocaust is simply Jewish **MYTHOLOGY** disguised as history.

To better understand this fact, it's imperative that you read the anthology below.

It will also help you understand why the Jewish supremacists, along with their Christian Zionist dupes (and their servile Judas Goats in the media and our government indoctrination centers), maliciously define telling the truth about the holocaust as a hate crime and are working frantically to undermine the First Amendment and stifle free speech by literally contriving a new inquisition.

(You must understand that their ultimate goal is to make it illegal for **ANYONE - ANYWHERE** to question the veracity of their fraudulent, self-serving "sacred six million" myth.)

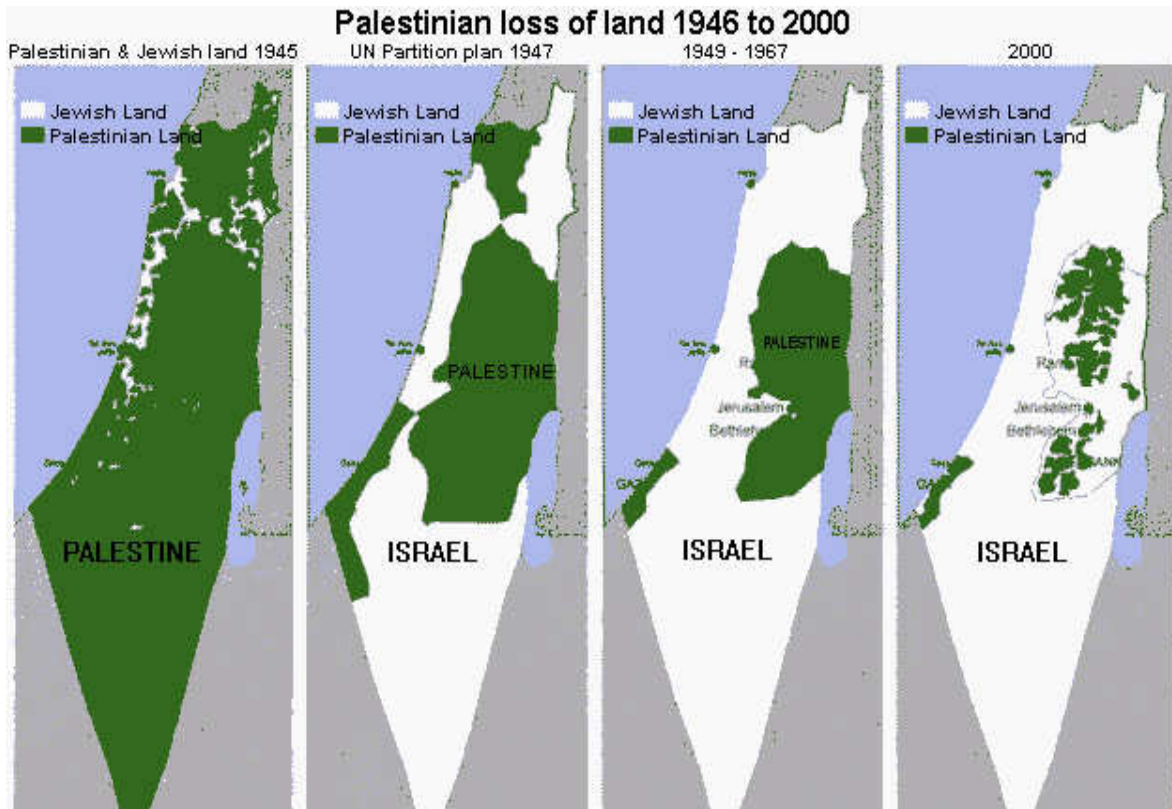

If you're finding all this hard to accept, then ask yourself this: Why did the Jews make the claim that six million of their co-religionists perished in a holocaust during WW I?

(Yes, that's **WORLD WAR ONE!**)

There's a reason why the malicious lies of the holocaust and the fraudulent, cognitive illusions of the "pure extermination centers" were contrived in the first place and are still being told after 65 years.

Chapter 6

THIS IS THE REASON FOR ALL THE LIES ABOUT THE HOLOCAUST

And the underlying reason for all the trouble in the Middle East.

The Jews theft of Palestine has resulted in Israel being condemned in 68 U.N. resolutions.

View the list of Israel's U.N. violations [HERE](#).

"We shall establish ourselves in Palestine whether you like it or not."

Jewish / Zionist leader – Chaim Weizmann – Published in "Judische Rundschau," No. 4, 1920.

The **ILLEGITIMATE** state of Israel literally owes its existence to the grossly exaggerated and in many cases maliciously fabricated holocaust story.

The official holocaust story is utterly dependent upon the sacred six million myth

The sacred six million myth is utterly dependent upon the exterminationist's fraudulent version of the final solution

And the final solution canard is utterly dependent upon the orthodox version of the alleged pure extermination centers.

The mythology of Judaism was used as the impetus for WW II atrocity propaganda (which didn't "take" during WW I), which begot the show trials / German re-education scheme, which morphed into post war support-for-Israel propaganda, which has metastasized into the current incessant brainwashing and **LITERAL INQUISITION**.

If the holocaust / sacred six million prophecy hadn't been allegedly fulfilled, then the rebirth of the state of Israel could not have been legitimate in the eyes of the Orthodox Jews / Christian Zionists.

And without the creation of Israel, there could be no building of the Third Temple on the Mount.

And without the building of the Third Temple, there could be no coming of the Jewish messiah or the second coming of Jesus.

And of course without all this, there could be no End Times / Rapture / Apocalypse / Armageddon, etc.

In order to fully understand the **RELIGIOUS** significance of the latest Jewish holocaust (which is Torah prophecy that had to be fulfilled before there could be a rebirth of Israel), you must understand its fundamental significance to events in the world today.

(They are directly related to the lies that were used to justify the United States invasions of Afghanistan and Iraq.)

The following articles will give you a basic understanding of how the holocaust myth is used to justify the U.S. governments unfailing support of Israel's **BRUTAL SUBJUGATION** of the Palestinians and why it is directly related to the whole End Times / Rapture / Apocalypse / Armageddon / Cult of Israel nonsense.

"Jewish prophecies in the Torah require that 6 million Jews must 'vanish' before the state of Israel can be formed.

'You shall return minus 6 million.'

' That's why Tom Segev, an Israeli historian, declared that the 'sacred 6 million' is an attempt to transform the holocaust story into state religion...

Those six million, according to prophecy, had to disappear in 'burning ovens,' which the judicial version of the holocaust now authenticates...

'Without the Holocaust, there would be no Jewish State.'"

So how does it feel to find out that you've been lied to your entire life for the benefit of Jews, Israel and **ZIONISM**?

Remember, all lies are told for a reason.

Historical fabrications and exaggerations (and/or the outright **SUPPRESSION OF THE TRUTH**) are told to alter your perceptions and create a false reality.

(Those who control the past control the present.) If your beliefs are based on half-truths and lies (half-truths make the most convincing lies), then you are being maliciously misled by those who control the foundation of your reality - your "knowledge."

If your knowledge is not based on the truth, the whole truth and nothing but the truth, then your reality is simply the creation of what the Zionist propagandists want it to be. false knowledge creates false reality.

Who benefits from your maliciously altered perceptions and resultant false reality?

Why do people continue to believe in physical impossibilities even after being confronted with incontrovertible facts that refute them?

Because you can't convince a true believer of anything, for their beliefs are not based on science and reason, they're based on faith and a deep-seated NEED to believe.

Hence, most propaganda isn't designed to fool the critical thinker, but rather Only to give self-deceiving cowards an excuse not to think at all.

NONE ARE SO BLIND AS THOSE WHO REFUSE TO SEE

Fraudulent Stories

Read about the Jew's WWI holocaust scam, the precursor to the largest scam in history

Below are some interesting New York Times "Holocaust" articles published during the 1920s which claim that the First World War caused the starvation of six million Eastern European Jews.

This Zionist confidence game of portraying Jews as perpetual victims and innocent lambs has been honed to a science over the past century and various earlier versions of their Holocau\$† swindle can be documented going on as far back as the 1880s.

I have heard that the US Justice Department actually investigated these so called Jewish relief drives for fraud in 1927 and their donations **dropped off** dramatically because of it, if anyone can find documentation about that investigation please advise

There has been alot written about the Jewish financial support for the "Russian" (read Jewish) Revolution around this time.

That much of the millions being scammed were likely funneled to the Jewish led Marxists in Russia should come as no surprise.

Also note that the same five to six million Jews who were starving during the War had not diminished in number at all by the time they were alleged to still be starving in 1926, ten years later!

As they say "there's no business like Shoah-business"]

In 1927, Max Steuer who had gone to Europe to investigate the relief programs charged that 40% of the money raised "disappeared in the manipulations by the bankers on the subject of exchange." -- [New York Times, September 7, 1927](#)

"Just Another Drive," But the Lives of 6,000,000 Human Beings Wait Upon the Answer

Just another drive—just another campaign—just another effort to alleviate human misery, to save the lives of men, women and children.

Campaigns are an old story in New York. But to 6,000,000 men, women and children, HUNGER IS AN OLDER STORY, AND NAKEDNESS, HOMELESSNESS, DISEASE AND DEATH HAVE ALSO CEASED TO BE NOVEL.

At no time during the war, in any land, not even in Belgium or Northern France was there a situation more critical—a need more great—a demand for sacrifice and help more insistent than now comes to us from Eastern and Central Europe.

There is but ONE WAY in which the lives of the people of these lands are to be saved.

There is but ONE PLACE in all the world to which they may look for help.

This is the reason for the NON-SECTARIAN APPEAL to be made in New York next week in behalf of the Sufferers from Famine, Disease and Destitution in the War-Ridden Lands.

If typhus fever and the other innumerable consequences of hundreds of thousands of human beings starving are not checked in time, SOME REV. ERBERATION OF THIS THUNDEROUS CALAMITY WILL REACH OUR SHORES JUST AS SURELY AS EACH EPIDEMIC OF INFLUENZA IN EUROPE HAS ULTIMATELY FOUND ITS WAY ACROSS THE ATLANTIC OCEAN.

FELIX M. WARBURG TELLS SAD PLIGHT OF JEWS

Felix M. Warburg Says They Were the Worst Sufferers in War.

Felix M. Warburg, Chairman of the Joint Distribution Committee of American Funds for Jewish War Sufferers, who returned several days ago from a trip to Europe for that organization, made public yesterday some of his findings.

HOW 9-11 WAS DONE.COM
ISRAELI FALSE FLAG, TERROR OPS ON SEPT 11TH EXPOSED

'The successive blows of contending armies have all but broken the back of European Jewry,' he said, 'and have reduced to tragically unbelievable poverty, starvation and disease about 6,000,000 souls, or half the Jewish population of the earth.

'The Jewish people throughout Eastern Europe, by sheer accident of geography, have suffered more from the war than any other element of the population.

The potential vitality and the capacity for self-help that remains to those people after the last five years is amazing to me.'

The people are deeply moved by the help given them by America, Mr. Warburg said, but it would be fatal to lessen the emergency aid now while millions are in tragic need.

The \$30,000,000 spent by this committee, he said, has fed and clothed more than a million children and it has renewed the hope of five million parents and elders.

'For more than four years,' he said, 'The war on the Eastern front was fought largely in the congested centers of Jewish population.

A straight north and south line from Riga, on the Baltic, to Salonica, on the Aegean Sea, will touch every important battle area of the Eastern war zone and every center of Jewish population.

After the cataclysm of the last few years it is too much to expect this Jewry to become self-sustaining in a short twelve-month.'

Mr. Warburg is concerned over the program soon to be started for the discontinuance of emergency relief.

This plan, he said, calls for the formation of a \$10,000,000 reconstruction corporation.

'This organization,' he said, 'would afford facilities for constructive aid to Jews abroad in the way of loans and credit at nominal interest rates.

The value of this sort of assistance as a substitute for pure charity is apparent.'

Other relief projects recommended by Mr. Warburg include the establishment of an express company to forward money and packages from Jews in this country to relatives and friends abroad; the distribution of \$120,000 worth of fuel in sections of Poland where destitution is greatest; the purchase of \$300,000 worth of cloth in the bolt whereby unemployed workmen of Poland may get raw material, and a plan to reunite those Jewish families that have relatives in the United States and those who have become separated abroad."

ATROCITIES IN SERBIA.

700,000 VICTIMS.

FROM OUR OWN CORRESPONDENT.

ROME, Monday (8 45 p.m.).

The Governments of the Allies have secured evidence and documents, which will shortly be published, proving that Austria and Bulgaria have been guilty of horrible crimes in Serbia, where the massacres committed were worse than those perpetrated by Turkey in Armenia.

The Italian Government has to-day published the testimony of two Italian prisoners who escaped from Austria through Serbia, and took refuge in Roumania. What these two prisoners saw and learned, however, was nothing compared with the evidence supplied by the Serbians themselves, and communicated by M. Paolich to the Italian Government and to the

Pope. According to reliable information, the victims of the Austrians and Bulgarians exceeded 700,000. Whole districts, with towns and villages, have been depopulated by massacres. Women, children, and old men were shut up in the churches by the Austrians, and either strangled with the bayonet or suffocated by means of asphyxiating gas. In one church in Belgrade 3,000 women, children, and old men were thus suffocated.

Serbian refugees, not on oath, have stated that they were present at a distribution of bombs and machines for producing asphyxiating gas to the Bulgarians by the Germans and Austrians, who instructed the former how to utilize these instruments to exterminate the Serbian population. The Bulgarians used this method at Nish, Pirm, Prisrad, and Negotin, the inhabitants of which places died of suffocation. Similar means were employed by the Austrians in several parts of Montenegro.

TRAVELLING GAS CHAMBERS

DAILY TELEGRAPH REPORTER

More than 700,000 Polish Jews have been slaughtered by the Germans in the greatest massacre in the world's history. In addition, a system of starvation is being carried out in which the number of deaths, on the admission of the Germans themselves, bids fair to be almost as large.

The most gruesome details of mass killing, even to the use of poison gas, are revealed in a report sent secretly to Mr. S. Zygielboim, Jewish representative on the Polish National Council in London, by an active group in Poland. It is strongly felt that action should be taken to prevent Hitler from carrying out his threat that five minutes

Conclusion

Ever-Diminishing Official Numbers Of Auschwitz Dead

The first is the plaque that was on display at the Auschwitz camp from 1948 until 1989 (note the "4 million" victims).

The second is the plaque currently on display at Auschwitz.

Note the dramatically reduced number of victims, now only 1.5 million.

A casual reduction in the number of deaths by some 2.5 million.

Deaths at Auschwitz drop by a whopping 2.5 million, but 6,000,000 dead Jewish prisoners, remains the same.

In fact, the figure of 4,000,000 was later repudiated by the Auschwitz museum officials in 1990 but the figure of 1,500,000 victims was not formally announced by Polish President Lech Walesa until five years after the Auschwitz historians had first announced their discovery.

2,000,000 to 4,000,000

Source: Cited by Yehuda Bauer in 1982 in his book, *A History of the Holocaust*.

However, by 1989 Bauer revised his figure to 1,600,000.

1,600,000

Source: This is a 1989 revision by Yehuda Bauer of his earlier figure in 1982 of 2,000,000 to 4,000,000, Bauer cited this new figure on September 22, 1989 in *The Jerusalem Post*, at which time he wrote "The larger figures have been dismissed for years, except that it hasn't reached the public yet."

1,500,000

Source: In 1995 this was the number of Auschwitz deaths announced by Polish President Lech Walesa as determined by those at the Auschwitz museum.

This number was inscribed on the monument at the Auschwitz camp at that time, thereby "replacing" the earlier 4,000,000 figure that had been formally repudiated (and withdrawn from the monument) five years earlier in 1990.

At that time, on July 17, 1990 The Washington Times reprinted a brief article from The London Daily Telegraph citing the "new" figure of 1,500,000 that had been determined by the authorities at the Auschwitz museum.

This new figure was reported two years later in a UPI report published in the New York Post on March 26, 1992.

On January 26, 1995 both The Washington Post and The New York Times cited this 1,500,000 figure as the new "official" figure (citing the Auschwitz Museum authorities).

1,471,595

Source: This is a 1983 figure cited by Georges Wellers who (as noted previously) had determined, writing in 1973, that some 2,000,000 had died.

1,433,000

Source: This figure was cited on September 1, 1989 by the French daily, Le Monde, which earlier, on April 20, 1978, had cited the figure at 4,000,000.

1,250,000

Source: In the book, The Destruction of the European Jews, by Raul Hilberg (1985).

1,100,000 to 1,500,000

Source: Sources for this estimate are Yisrael Gutman and Michael Berenbaum in their 1984 book, Anatomy of the Auschwitz Death Camp.

This estimate was later also cited by Walter Reich, former director of the U.S. Holocaust Memorial Museum, writing in The Washington Post on September 8, 1998.

The upper figure of 1,500,000 is (the new) "official" figure as now inscribed at Auschwitz, with the earlier figure of 4,000,000 having been removed from the memorial at the site of the former concentration camp.

1,000,000

Source: Jean-Claude Pressac, writing in his 1989 book *Auschwitz: Technique and Operation of the Gas Chambers*.

This is interesting since he wrote his book to repudiate so-called "Holocaust deniers" who were called that precisely because they had questioned the numbers of those who had died at Auschwitz.

900,000

Source: Reported on August 3, 1990 11, by *Aufbau*, a Jewish newspaper in New York.

800,000 to 900,000

Source: Reported by Gerald Reitlinger in his book, *The Final Solution*.

775,000 to 800,000

Source: Jean-Claude Pressac's revised figure, put forth in his 1993 book, *The Crematoria of Auschwitz: The Mass Murder's Machinery*, scaling down his earlier claim of 1,000,000 dead.

630,000 to 710,000

Source: In 1994 Pressac scaled his figure down somewhat further; this is the figure cited in the German language translation of Pressac's 1993 book originally published in French.

Again, this is substantially less than Pressac's 1989 figure of 1,000,000.

135,000 to 140,000

Source: This is an estimate based on documents held by the International Tracing Service of the Red Cross.

It is known that International Tracing Service has a complete set of registration documents.

This is thought to include a complete set of roll-call data which includes twice daily tallies of those who died.

Although the International Tracing Service of the Red Cross has such records, they have never officially published an accurate count of those who died, or even an accurate report as to exactly which documents they hold.

However, totals from these records have been obtained by various interested parties.

The estimate of 135,000 is roughly corroborated by the "Auschwitz death books."

The death books themselves are wartime German camp records, which were captured by the Soviets towards the end of the war, and hidden in Soviet archives, until released to the Red Cross in 1989.

The death books consist of 46 volumes which document each death at Auschwitz (each death certificate consists of the deceased person's full name, profession and religion, date and place of birth, pre-Auschwitz residence, parents' names, time of death, and cause of death as determined by a camp physician).

The records for the most important years, 1942 and 1943, are almost complete (there are also a few volumes for the year 1941, but none for the year 1944 or January 1945 (when Auschwitz was evacuated)).

The Auschwitz death books contain the death certificates of some 69,000 individuals, of whom about 30,000 were listed as Jews.

You may view various above mentioned, ever declining numbers of alleged dead at Auschwitz, are graphically illustrated by the following pictures of plaques from the camp.
